## Full Website Update with New Features and Enhanced Visual Experience

- 1.Design and Implementation of New Gallery Page:** Designed and implemented a new gallery page layout, integrated multiple optimized images
- 2.Creation of New Member Profile section and updating CFO profile section:** Created a dedicated section for member profile with a clean, responsive layout.
- 3.Customization and Optimization of over 60 Images:** Customized, resized, renamed, and compressed over 60 images for web performance and SEO.
- 4.Replacement of Images Across 7 Pages:** Replaced existing images on 7 pages (1 image per page, multiple on home and gallery).
- 5.Testing and Quality Assurance:** Conducted cross-browser and cross-device testing, and fixed layout and performance issues.
- 6.Deployment of Updates to Live Server:** Backed up the site, implemented updates on the live server, and verified successful changes.
